

Without Borders

I'VE GOT YOU COVERED!

"Give, and it will be given to you. A good measure, pressed down, shaken together, running over, will be put into your lap; for the measure you give will be the measure you get back."

Luke 6:38

What did the roof say to the wall?
"I've got you covered!"

What does God say to us?
"I've got you covered!"

He says this to us daily in so many ways. He doesn't always "cover" us the way we are expecting, but He covers us in the way we are needing at that moment. State Line UNITED is a faithful community. Congregants pray for each other, donate as they are able, help ministry efforts, and come up with creative and meaningful ideas for strengthening faith and providing materially. The community is seeing this faithfulness!

We had a wonderfully generous turnout for the yard sale. St. Paul's youth were all-in for Ellen Kennedy's delicious candy eggs. The VBS children are donating a few dollars daily. Just today (July 25th), we have received a generous donation from the father of our custodian. Angie shared with her parents that we were raising funds for a new roof. Your faithfulness in all things that support this church's mission are not going unnoticed. The community is recognizing that this house of faith is valuable to Christ's mission.

Keep spreading the word. Keep helping with fundraising. This is God providing. He won't be dropping thousands of dollars in our lap, although that would be AMAZING! He will watch over our efforts, guide us in our decisions and let others see our example as a faith family.

June Leadership Notes

The Leadership Team met on July 9th. The following are highlights from the meeting.

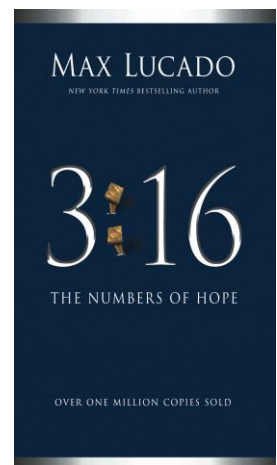

- We are looking ahead to updating our tech booth to once again provide streaming of the services. A quote obtained to start planning. A team member will be looking for grants for these expenses while we focus on raising funds for the roof replacement.
- We are still looking for members to round out our Property Committee. With 3 buildings in our care, this is a vital ministry. Please speak with Pastor Don if you can help.
- After receiving details of a roof loan for which we expect to be approve, the team voted to approve proceeding with the loan process when final approval is received from the credit union.
- July 4th, we had a flood in our basement due to a broken pipe from the well supply. Luckily, we were alerted by a sensor and had the water turned off within the hour. A plumber arrived quickly to replace the broken pipe. Thank you to those who worked on the clean-up effort.

Thursday Evening Bible Study

6:30 p.m. – John Allison Public House

It's never the wrong time to participate in Bible Study! The current study is of **John 3:16**. Sometimes life appears to fall to pieces and can seem irreparable. We've all had our fair share of disappointments, loss, or hardships. But for every challenge there is a breathtaking promise: It's going to be okay. How can we know? Because God so loved the world.

This Bible Study continues to thrive. Consider joining one Thursday evening to see why!
