

Without Borders

Fall Fellowship

Everyone thinks of spring as the time of renewal. The flowers come out of their winter sleep. The birds start to build their nests and their families.

But ... Fall! Don't we get excited about fall! Cooler weather when we are done with summer fun. Autumn leaves and the colorful landscape we enjoy in the northeast. It's truly God's paintbrush at work. It's a time to find some hidden energy for an outdoor walk or picnic.

We can see each season as a time of renewal in its own right. Each season, like the start of a new school year (think fresh pens, pencils, notebooks), can be a time to refocus on the purpose God has given us. To make new disciples of Christ.

"You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by deceitful desires; to be made new in the attitude of your minds; and to put on the new self." Ephesians 4:22-24

Our Fall Fun Fest was well-organized and very well attended. We reached out to our community and they showed up to partake in our fellowship. What a joyous day! If that event brings one more person to know Jesus Christ by our examples, hallelujah!

Let's keep this community momentum going. We are reaching people and strengthening our own spiritual lives by sharing His message of loving your neighbor. I challenge you to find a better way to show love to your neighbor than by giving out free candy. ☺
